Communiqué of the French National Contact Point for the OECD Guidelines for Multinational Enterprises

The French National Contact Point (NCP) for the OECD Guidelines for Multinational Enterprises received a referral on 9 July 2012 concerning Michelin's construction of a tyre plant in the State of Tamil Nadu, India from five claimants comprising four Indian and French non-governmental organisations and associations and a French trade union: the Tamil Nadu Land Rights Federation (India), "SANGAM" (Thervoy Grama Makkal Munnerta Nala Sanga, India - the Thervoy Village Residents' Association), the NGO CCFD-Terre Solidaire (France), the SHERPA association (France) and the Confédération Générale du Travail trade union (France).

After examining this specific instance, and in light of the notice put online today by the claimants, the NCP will meet on Friday 27 September 2013 and will publish its final statement after the meeting.
